Dear Sir:

We have this date received a memorandum from Mr. Ernest Hupp, Naturalization Examiner at Baltimore, Maryland in answer to our memorandum requesting that a search be made for your application for transfer of your petition for naturalization. Mr. Hupp reports that the transfer forms were not received by the Clerk of the Court at Salisbury, Maryland. Our records indicate that said forms were forwarded to the Circuit court at Wicomico County on March 13, 1958.

It appears, therefore, that it will be necessary for you to execute new requests for a transfer. Enclosed herewith are the appropriate forms. Execute same and return to this office and we will expedite our part in effecting transfer of your petition.

Re: Dr. Stephan Tymkiw Petitioner for Naturalization

Dear Mr. Smith:

Receipt of your letter of December 17, concerning the abovecaptioned petitioner for naturalization, is acknowledged.

The Clerk of the Court of Common Pleas, Mahoning County, Youngstown, Ohio should not have forwarded all four of the forms N-455 to your office. In effecting the transfer of a petition for naturalization, 8 C. F. R., Section 334.17 provides in part, that the original form N-455 should be filed with the petition record in that court after that court has approved the transfer. The duplicate and triplicate of form N-455 are sent to the court to which the transfer is requested, and the quadruplicate is sent to the District Director who approves the request for transfer. -If your court to which the transfer is requested approves, the duplicate copy is to be filed in your court and the triplicate returned to the Court of Common Pleas at Youngstown, Ohio. Upon receipt of such copy, a certified copy of the petition and the original of all documents filed therein should be forwarded to your court. It is important that this office be informed when this latter action is taken and the transfer number assigned to this petition by you he furnished to our office, in order that our file be duly noted,

T. Smith Clerk, Circuit Court Wicomico County Salisbury, Maryland Dear Mr. Smith: In connection with the naturalization rule day in your court set for March 10, 1959, at noon, you are advised that the petitions TR #2 of Stephen Tymkiw, Godtfred and Signe Eliassen are complete inso far as the administrative action in these cases is concerned. Therefore, it appears that they will be favorably recommended for naturalization on March 10, 1959. In addition to these petitions being heard by the court, there are presently three applicants who are desirous of filing their metitions for naturalization in your court. In this connection, the services of one of your deputy clerks would be appreciated to assist in filing these patitions. There further appears to be two applicants who desire hearings on their applications for certificates of United States citizenship, and it is hoped that your office facilities may be utilized for the hearing on their applications.
